LAUW Hosts Construction Northwest Indiana– Superheroes Against Hunger Event

Construction is back for a second year and United Way needs your help! Construction is a unique event in which middle school youth use the power of science, technology, engineering, and math (S.T.E.M.) to fight hunger. Created by **Lake Area United Way**, students design and construct massive structures made entirely out of canned food at a day long competition hosted at Southlake Mall. The structures are on display for a week for public voting, then all of the food items are donated to local food pantries. **Lake Area United Way** needs your help! Sponsorships are available! For further information, please contact **T.J. Holsen** by e-mailing tjholsen@lauw.org or at (219) 923-2302 ext. 314. **Please see Flyer on Page 3!!**

**DO YOU WANT TO BE A
SUPERHERO?
SPONSORS NEEDED!**

**Canstruction Northwest Indiana - Superheroes Against Hunger...
Back for its 2nd year!**

This is a unique event in which middle school youth use the power of science, technology, engineering and math (S.T.E.M.) to fight hunger.

Organized by Lake Area United Way and United Way of Porter County, students design and construct massive structures made entirely out of canned food at a day long competition hosted at Southlake Mall. The structures are then on display for a week to provide an opportunity for the public to vote for their favorite. At the close of the competition, the structures are deconstructed and all of the food items are donated to local food pantries.

We need your help! We are seeking Corporate Sponsors to help offset the event costs which include purchasing the canned foods, transportation to and from the events, meals for the students, etc.

Can we count on your SUPERHERO SPONSORSHIP?
